Executive Summary

Lutheran Education VIC, NSW, TAS and ACT Ltd (LEVNT) is part of the Lutheran Church of Australia (LCA). LEVNT supports Lutheran schools and early childhood services so that they can in turn further assist the students by delivering quality Christian-based education. We achieve this by building capacity in our schools and early childhood services by providing support, advice, mentoring, networking opportunities, and professional learning opportunities. The services of the LEVNT office cover a wide range of areas including:

- + Principal selection, induction, and performance development support
- + Spiritual development
- + Staff development and networking opportunities
- + Communication and strategic partnership development
- + Strategic planning support
- + Business & operational support
- + Governance, risk management and compliance support
- + Financial management support
- + Human resource management support.

Develop and implement formation opportunities to ensure educational communities are authentically Lutheran and are an integral part of the Church ministry.	Drive effectiveness through the promotion and facilitation of collaboration within and beyond regional boundaries.	Promote and facilitate innovative, evidence-based learning within and between, educational communities.	Nurture the development of people and encourage the celebration of excellence and success.	Ensure best practice in governance and leadership is embedded at all levels in our educational communities.	Work to encourage more sustainable models of schools and ECSs.
