

Walk My Way

Save the Date!
Saturday 14th October

Walk your way to help children in East Africa to walk their way into education!

Did you know, the human foot contains 26 bones? Join our community and use all 26 of those bones to walk 26kms from Bonegilla to Victory Lutheran College and raise much needed funds to enable children in East Africa opportunities to go to school!

Walk My Way is part of The GRACE Project, organised by ALWS (Australian Lutheran World Service), which since 2019 has helped more than 62,500 refugee children to go to school.

Victory Lutheran College Walk My Way
